World Trade Center Alaska is a private, non-profit membership organization providing international trade and business services to members and community partners across the state. The mission of WTCAL is to assist Alaskans to successfully compete for trade and investment in the global market place.

The Center pursues this mission through five core functions:

Trade Capacity - help Alaska companies to become export ready through information, seminars, conferences and other technical assistance.

Trade Development - research foreign markets and identify trade opportunities for Alaska companies.

Trade Service - support Alaska companies with the information and hands-on assistance needed to make trade happen. Connect Alaska sellers with overseas buyers.

Trade Facility - make available office and conference room setting to facilitate business meetings and events.

Trade Network - provide members with access to facilities and support in more than 300 cities around the world.
